Good day,

Unfortunately I will not be at AIME this year.
To meet me there you will have to come back next February.

If there is anything we can do for you earlier than 2011 please send your request via e-mail.
We are always delighted to hear from you.

As you know, we are offering Destination Management Services in Austria, the Czech Republic, Hungary, Germany, Slovenia, and Croatia.

I am looking forward to receiving your requests in the near future.

Kind regards,

Birgit Kraus
